For these questions, choose the correct answer.

I always have different kinds of projects, so every week is different. However, I usually start the day by making phone calls and sending emails. I also like to visit the factory in the morning to check on my current projects and make sure everything is going according to plan. After that, I buy lunch and take it back to my desk.

In the afternoon, I usually need to deal with suppliers and discuss problems with my colleagues. I spend a lot of time in
